About Tim

Tim Tebow is a two-time national champion, first round NFL draft pick, and Heisman trophy winner. Tim Tebow is currently signed to play professional baseball with the New York Mets and is a college football analyst for the SEC Network. Prior to joining the SEC Network, Tebow played three years in the NFL for the Denver Broncos, New York Jets, and New England Patriots. In 2011, Tebow was the first quarterback featured in ESPN's "Year of the Quarterback" series. He later released "Through My Eyes", which was named the #1 sports book of 2011 and best selling religion book of 2011. Tim will be releasing a new book this October, "Shaken: Discovering Your True Identity in the Midst of Life's Storms" (WaterBrook). Tebow also contributes to a variety of ESPN Radio, and the networks Heisman Trophy coverage. He is active in a variety of philanthropic activities through his Tim Tebow Foundation.

Faith and Mission Work

Tim Tebow grew up the son of missionaries, and even after moving to Florida as a child, he returned to the Philippines as a teenager—to spread God's word, and do the Lord's work, by serving the needy. He carried that calling with him to the University of Florida, where in addition to leading the Gators to two national championships, and winning the Heisman Trophy in 2007, he also devoted himself to charity-raising money for pediatric cancer patients and disadvantaged children.

Tim Tebow Foundation

In 2010, his vision took shape in the Tim Tebow Foundation. The Tim Tebow Foundation exists to bring Faith, Hope and Love to those needing a brighter day in their darkest hour of need. The foundation fulfills this mission every day by making dreams come true for children with life-threatening illnesses, building Timmy's Playrooms in children's hospitals, providing life-changing surgeries to children of the Philippines through the Tebow CURE Hospital, sponsoring Night to Shine, a nationwide prom for people with special needs, providing care for orphans in four countries and adoption aid grants for families who choose to adopt an international child with special needs.
